Subject: BRIEFING MATERIAL FOR TREASURE ISLAND

Hi Melinda,

This is in response to your request, and to a separate request from John Chestnut to Lawrence Lansdale (Navy BRAC office).

1. Attached is the September 2009 General Fact Sheet, which is also on the Navy website. It is updated once a year with the Site Management Plan, so we will issue a new version in September 2010.

2. Also attached is the briefing that we gave to the City's Treasure Island Development Authority (TIDA) one month ago on July 14th, which is based on the April 19, 2010 Draft Site Management Plan.

These two documents are the most condensed discussion of the entire Navy environmental program at Naval Station Treasure Island that we have available.

Let me know if you need anything else or if I can answer any other questions.

Jim
